Diritto Amministrativo / Administrative Law

La promulgación de las Directivas 2003/54/CE y 2003/55/CE, por las que se establecen normas comunes para el Mercado Interior de la Electricidad y del Gas Natural, y de sus Leyes de transposición al Derecho español (Ley 12/2007, de 2 de julio y Ley 17/2007, de 4 de julio) han conllevado modificaciones trascendentales en el ámbito energético. Desde la perspectiva eléctrica, entre otras medidas, desaparece la histórica tarifa integral, que es sustituida por la tarifa de último recurso; se prevé la creación de la Oficina de Cambio de Suministrador; se establecen nuevas exigencias en materia de separación de actividades eléctricas; y se modifica el régimen sancionador.

Oxford U.P. (24/12/2009)

Diritto Bancario E Finanziario / Banking And Finance Law

The book considers domestic laws on insolvency and asset tracing from six jurisdictions (including England, USA, Guernsey, Jersey, BVI and Cayman) and provides a toolkit of key information for domestic and international tracing from these sources. In particular the information includes: definition of company property; what court orders are available; what questions can be asked; what information can be obtained; and how expenses are dealt with. In addition to consideration of domestic law, the work includes a discussion of relevant EC Regulation and UNCITRAL model laws

Evidence, Proof, and Fact-finding in WTO Dispute Settlement

ril. 9780199572649 Lst pagg. 448;
Oxford U.P. (24/12/2009)
Diritto Internazionale / International Law

This book examines how a World Trade Organization (WTO) dispute settlement panel formulates its conclusions with respect to the facts of a dispute brought before it. It does so by discussing the legal concepts which shape the process of fact-finding, analysing the approach taken by panels thus far and offering suggestions for improvement

Scienze Giuridiche / Law

It is a matter of some difficulty for the English lawyer to predict the effect of a misapprehension upon the formation of a contract. The common law doctrine of mistake is a confused one, with contradictory theoretical underpinnings and seemingly irreconcilable cases. This book explains the common law doctrine through an examination of the historical development of the doctrine in English law. Beginning with an overview of contractual mistakes in Roman law, the book examines how theories of mistake were received at various points into English contract law from Roman and civil law sources.

The joint operating agreement (JOA) is one of the cornerstone contracts in the petroleum projects world and is often the starting point for further essential agreements relating to natural gas and crude oil processing, sales and transportation. The JOA enables long-term collaborative developments to be undertaken between groups of companies which have come together (often from diverse legal, commercial, cultural and political backgrounds) to share the high costs and risks which are inevitable in major petroleum exploration and production projects. It establishes common operational standards for application to developed jurisdictions and to emerging markets.

Les terroristes disent toujours ce qu'ils vont faire

br. 9782130578819 Eur 29 pagg. 368;

Relazioni Internazionali / International Relations

Que se passe-t-il dans la tête d'un terroriste qui se dit révolutionnaire ? Quelles idées tuent qui ? Quels écrits annoncent ou justifient l'attentat ? Comment dans des démocraties européennes des années 70/80, social-démocrates ou libérales, finit-on par abattre des civils, au nom de masses qui rechignent à se révolter ? Quelles vagues ont précédé, quelles vagues suivront ? Avant de juger ou d'anticiper, il faut commencer par savoir comment, à partir des notions très contestées de terrorisme et de révolution, s'élabore un corpus idéologique, comment il est interprété. Et comment les circonstances transforment parfois des intellectuels d'encre en intellectuels de poudre ou des tueurs en théoriciens

Psicologia / Psychology

Cet ouvrage raconte l'histoire de l'accueil fait à Freud et sa présence en France depuis son séjour en 1885 dans le service du professeur Jean-Martin Charcot à l'hôpital de La Salpêtrière jusqu'à sa mort en 1939. Mais cette histoire, où les événements sont décrits année par année jusqu'en 1945, montre aussi, à travers critiques ou louanges, la pénétration de ses idées en France dans les milieux littéraires ou scientifiques. Des figures illustres comme la princesse Marie Bonaparte et le Dr René Laforgue aident à la création de la Société psychanalytique de Paris en 1926 et l'on peut suivre l'évolution théorique et pratique de la psychanalyse en France selon les disciples fidèles, comme Rudolf Lœwenstein ou Sacha Nacht, ou des créateurs qui développeront plus tard leurs hypothèses, tels Jacques Lacan ou Françoise Dolto

Surveying Cultures: Discovering Shared Conceptions and Sentiments

ril. 9780470479070 Lst 56,95 pagg. 229;

Wiley (01/01/2010)

Sociologia / Sociology

Surveying Cultures explores the traditional and the emerging methods used for surveying cultures. This volume is the first book to deal explicitly with cultural surveys and survey methodology, uniquely combining survey methods, anthropological studies, and psychometric theory. Including a list of highlights in each chapter, this resource introduces a theory of measurement for ethnographic studies that employs the consensus-as-culture model. As one of the first in methodology to accurately collect and decipher data on cultural norms and sentiments, this textbook is essential for students in this field of study

European integration is one of the most ambitious and socially far-reaching developments in world politics and in world economics. Against growing opposition and despite increasing social heterogeneity, the European Union continues to expand and to acquire new competences. But to what extent is the self-proclaimed "ever closer union among the peoples of Europe" a social reality? In which ways is the political European project anchored in social developments? How does social change impinge upon political integration?
